

## Richmond Women's Resource Centre

January 24, 2017

Dear Richmond Community Member,

The Richmond Women's Resource Centre has been serving the women and children of Richmond since 1976.

To raise much needed funds for the Women's Centre we are hosting Dim Sum at the Continental Seafood Restaurant. The date of the event is March 4th at 11 AM, in honour of 2017's International Women's Day. This year our theme will be "Reach for the Sky", celebrating women's achievements.

We are approaching you because, with your help, we plan to hold an auction as a significant part of this event. The Women's Centre would be very grateful if you could support us by donating to the auction.

The Richmond Women's Resource Centre is a non-profit organization that reaches out to support and empower women and girls in the Richmond community.

Each month we assist several hundred women through direct services such as support groups, referrals, workshops, and skills training. Last year more than 7,000 clients used our services. The need in the community exceeds our ability to provide service and we find ourselves frequently reaching out for community support.

Please consider donating to this worthy cause, and thank you very much for your consideration.

Sincerely,

Marielle Demorest
